

[OPERATION AND MAINTENANCE SCHEDULE FOR  
PRIVATELY OWNED AND MAINTAINED  
DISCONNECTION OF ROOFTOP RUNOFF (N-1),  
DISCONNECTION OF NON-ROOFTOP RUNOFF (N-2)]

- a. Maintenance of areas receiving disconnected runoff is generally no different than that required for other lawn or landscaped areas. The Owner shall ensure the areas receiving runoff are protected from future compaction or development of impervious area. In commercial areas, foot traffic should be discouraged as well.
